

Marshall University Joan C. Edwards School of Medicine

Graduate Medical Education Annual Institutional Review 2016-2017 Academic Year

Presented to Faculty
October 26, 2017

Presented by
Paulette S. Wehner, MD, F.A.C.C., F.C.C.P., F.A.C.P., F.A.H.A.
Vice Dean, GME and DIO

Required Annual Institutional Review Components

- 1. Results of Most Recent Institutional Self-Study Visit**
- 2. Results of ACGME Resident & Faculty Surveys**
- 3. Notification of each ACGME accredited program's accreditation statuses and self-study visits**

Results of Most Recent Institutional Self-Study Visit

- **Marshall is fully accredited- No visit scheduled.**
- **Will have one year after ACGME notification to complete study**
- **Marshall Community Health Care Consortium is on warning due to the lack of a program.**

Results of Marshall ACGME Faculty Surveys

Aggregated Program Data Programs Surveyed 15

2016-2017 ACGME Faculty Survey - page 1

Survey taken: January 2017 - April 2017

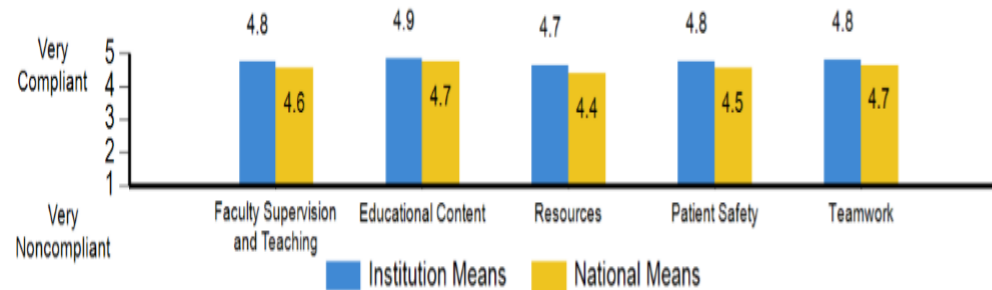

Programs Surveyed 15

559501 Marshall University School of Medicine - Aggregated Program Data

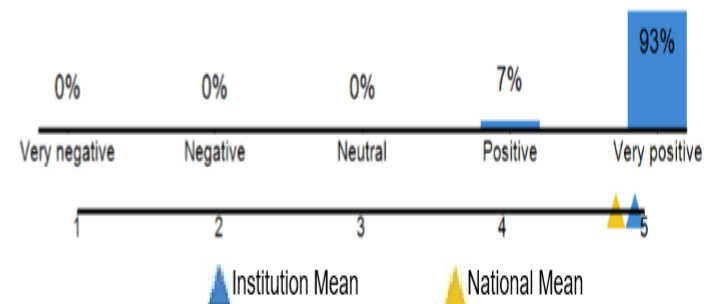

Faculty Responded 105 / 123

Response Rate 85%

Institution Means at-a-glance

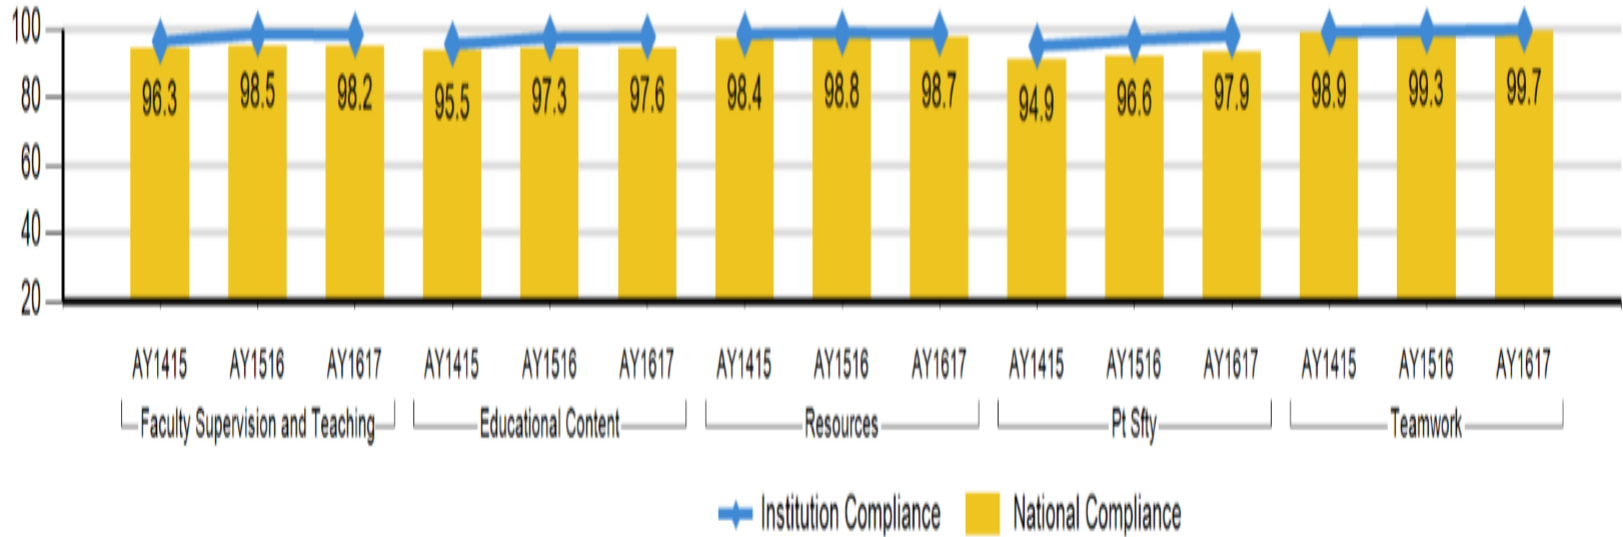

Faculty's overall evaluation of the program

Results of ACGME Faculty Surveys

Total Percentage of Compliance by Category

Results of ACGME Resident Surveys

For the 2ND YEAR IN A ROW
Residents/Fellows Ranked MUSOM
Above the National Mean
in EVERY Category!

2016-2017 ACGME Resident Survey - page 1

Survey taken: January 2017 - April 2017

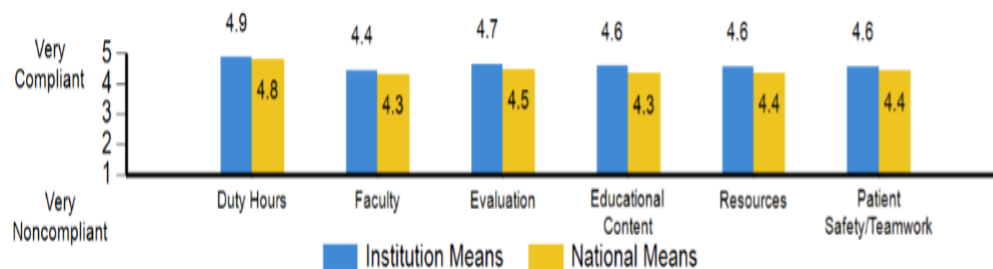

Programs Surveyed 15

559501 Marshall University School of Medicine - Aggregated Program Data

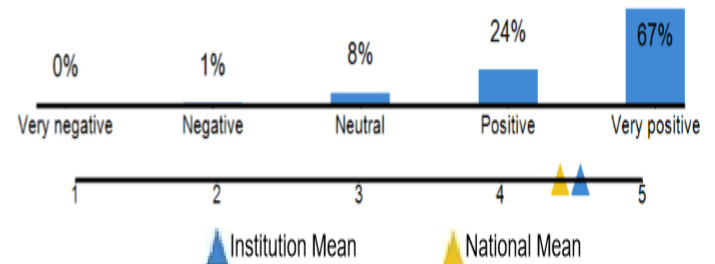

Residents Responded 183 / 189

Response Rate 97%

Institution Means at-a-glance

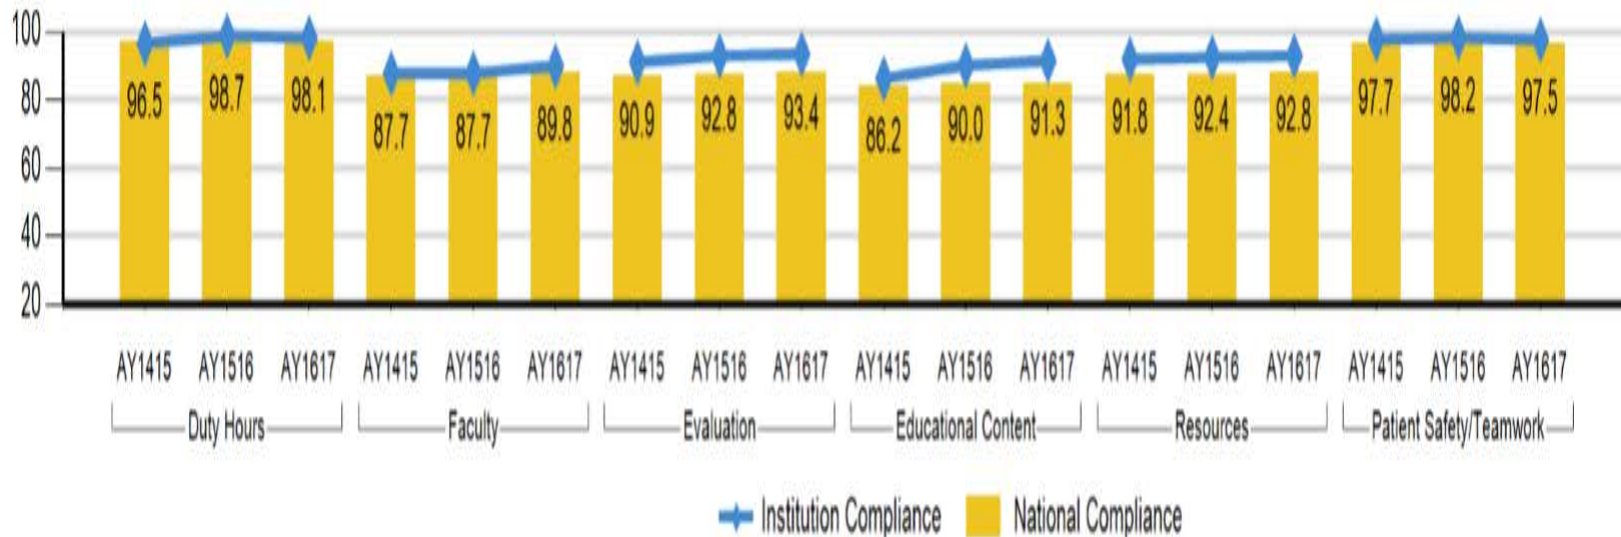

Residents' overall evaluation of the program

Results of ACGME Resident Surveys

Total Percentage of Compliance by Category

Notification of each ACGME accredited program's accreditation statuses and self-study visits

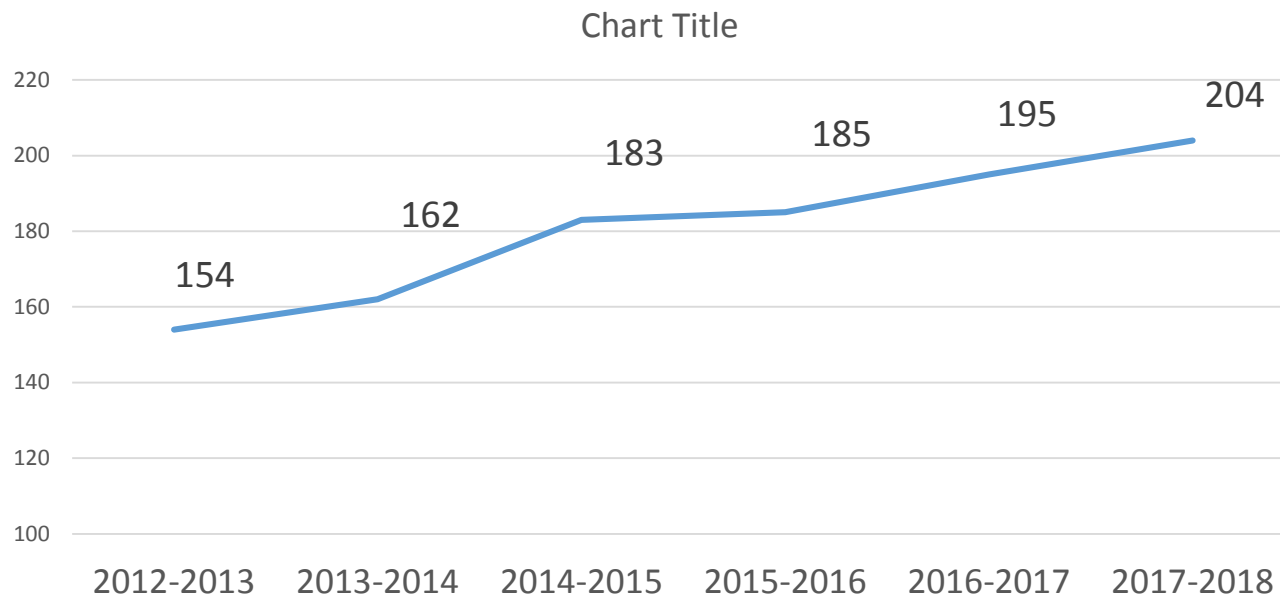

- **All programs have Continued Accreditation**
